
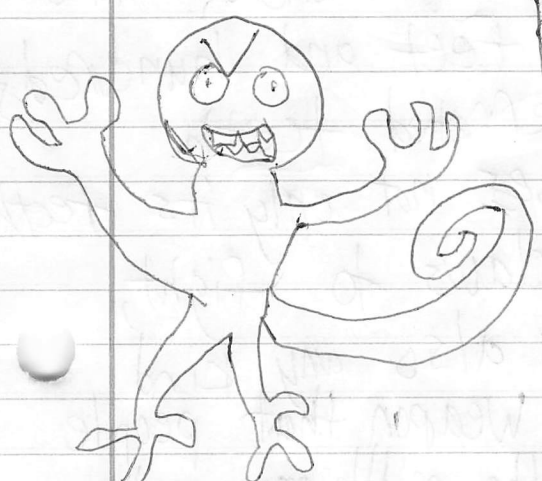
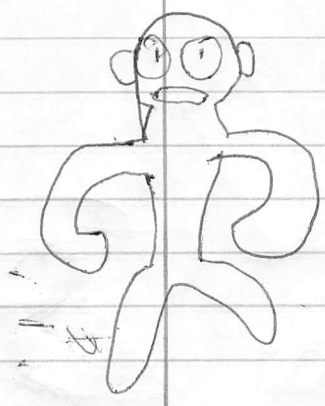
Stone and Dirt Gremlin:
Can punch reatly hard, Is hard to cut because it's made of stone, can easily destroy almost anything, but not very fast.

Plant Gremlin:

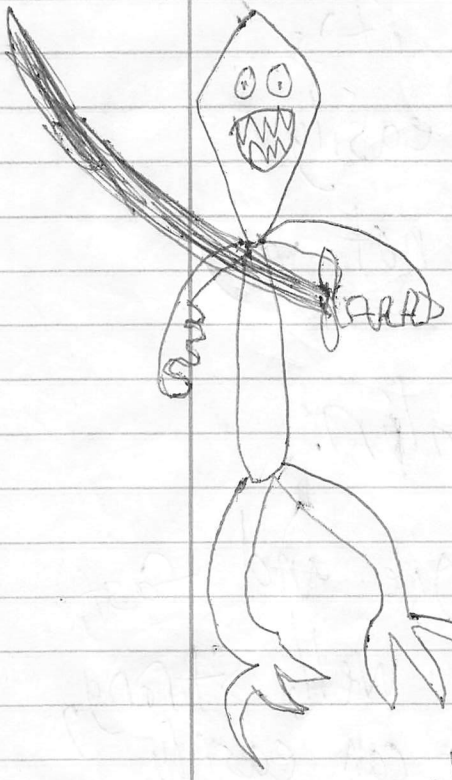


Is very agile and ~~fast~~, climbs very well, strong, smart, but can easily be cut.



Transforming Gremlin:

Is very weak, slow, and has no sense of smell and very little sight and hearing, but has a cunning, evil mind and is always scheming evil plans. It can transform into any type of creature in the evil army, and is the most dangerous gremlin.



Kite Gremlin:

The dreaded kite Gremlin has a kite-shaped head, four-fingered hands, three-clawed feet and hundreds of serrated teeth. It uses not only its teeth and claws to fight, but also any kind of weapon that people from the middle ages used.

It can petrify any living thing.
